Two-Pass Enrollment Process

Each quarter, students enroll in courses for the upcoming term. The enrollment process is divided into two passes, allowing students to secure spots in their courses. Students can find their specific enrollment times by logging into WebReg through TritonLink.

1ST PASS

- Students can enroll in up to 11.5 units
- Waitlists are not available
- First pass lasts for 48 hours

2ND PASS

- Students can enroll and waitlist for up to 19.5 units
- Waitlists are available

FIRST Day of Classes

- Students can enroll and waitlist for up to 22.0 units
- If you would like to enroll in more than 22.0 units for the quarter, send in an EASy request

How to Prioritize

1. Courses that are necessary prerequisites or part of a sequence for a class you need to take later
2. Courses that are not offered often that are needed to stay on track
3. Courses that you do not necessarily need for graduation, but are interested in taking at some point.

Other Course Options

1. Marshall General Education Requirements.
2. Major electives courses
3. Courses you may find interesting
