*Everything you need to know about **living on campus!***

UC San Diego

HOUSING • DINING • HOSPITALITY

**Hemlata Jhaveri**  
Executive Director of Housing, Dining and Hospitality (HDH)

On behalf of Housing, Dining and Hospitality at UC San Diego, congratulations on your acceptance to the university!

You are about to embark on an incredible journey, and the next four years of your academic career will be transformative. As a first-generation college graduate, I truly understand the support needed for students who are transitioning from high school to college.

That's why we're here for you, even during this unprecedented time. In continued support of UC San Diego students, on-campus housing communities remain open and operational. All decisions are led by consideration of the health and safety of students, employees and local communities. With exceptional direction from our campus health experts and in alignment with government guidance, the HDH team swiftly adapted to the ever-evolving circumstances, allowing us to stay open since the pandemic began.

Your focus should be on the main reason you're at UC San Diego: to have a world-class academic experience. Our housing program includes well-designed living spaces with engaging programming. Our unique dining program has something for everyone, including the largest halal-certified residential dining facility in the nation, certified kosher menus and a wide array of vegan options.

I invite you to explore the amenities your housing and dining package includes and see how living on campus will enhance your overall UC San Diego experience. You can also learn more by visiting our website at [hdh.ucsd.edu](http://hdh.ucsd.edu).

With Triton pride,

*Hemlata Jhaveri*
